March 15, 2020

Dear Parents and Guardians,

In the event your child requires academic, therapeutic or social/emotional support during the time period school is not in session, you may contact case managers, related service providers and mental health staff (Rutgers, Pathways and ESS) via email or by phone. All staff will be available during school hours to provide support services and address any situations that may arise. They will be checking emails several times each day. In the event of an emergency situation related to a mental health concern, please don't hesitate to call 911 and contact me directly at scherney@carteretschools.org.

The Child Study Teams and 504 Staff will continue to hold IEP and 504 meetings via Google Meet (<https://meet.google.com>) during school closure. Email communication, phone conferencing and video conferencing will be initiated for all meetings.

Regards,

Susan Cherney
