Dear Parents/Guardians,

I hope this letter finds you and your family well. As you are aware, the Carteret School District will be reopening for Hybrid Instruction beginning March 1, 2021. Thank you for completing the District survey and indicating that your child will be returning to the building for in person instruction. I am pleased to inform you that the Special Education K-12 Self-contained classes will be operating on a 4 full day in person schedule as stated below. Due to the number of preschoolers who would like to return and their specific needs, the preschool disabled program will run an AM and PM session. Busing will be provided to students as per IEP. Case managers will be calling to confirm busing needs.

Pre School Disabled: (Norris and DeQuarto)

AM Session 8:30-11 Cohort C
PM Session 12-2:30 Cohort D

Case Manager will inform you of your session. AM and PM sessions may have changed due to the number of students returning.
