Remote Learning Expectations:

The goal of remote learning is to provide the most effective instruction possible, while closely adhering to our hybrid schedule.

1. Before the start of the school year, students should visit their teacher's school website page to join their google classroom/Schoology. The links for daily ZOOM lessons will be provided in the teacher's Google Classroom/Schoology.
2. Students are expected to log into their classes everyday. Elementary students should log into their homeroom at 8:30 am daily to start their day. Middle School students should log in at 8:15 am daily to start their day. High School students should log in at 8:00 am, or the start of their first class, to start their day.
3. Teachers will be providing live instruction, daily, for every class.
4. Students will be required to attend and participate, with the video enabled, during each class meeting daily to receive attendance for the class.
5. Students must be present for the duration of the school day to receive full credit for attendance.
6. Teachers will have "Virtual Support Time" for students and parents at the end of each day to provide extra help and assistance.
7. Students do not need to be in full uniform for remote learning.
